

...are like treats for your dog but they offer benefits like no other treat can. These delicious goodies include antioxidants, tocotrienols, and phytosterols. They contain crucial Omega fats and Cranberry Seed Oil for healthy hearts and kidneys.

The cookies come in 400 gr pouches (Made in Canada) that are can be resealed for freshness.

EQUINE [Redacted Product]

Keyword: optimum equine diet

Equine [redacted] is excellent for support of a healthy weight. It is a version of Equine product we began with that is especially for horses that require specific gains. This supplement has some of the best ingredients for the [optimum equine diet](#). It has no problematic hydrogenated or partially hydrogenated fats which can be detrimental to horse's health. The product is particularly good for underweight horses, those that struggle to keep weight on or are "hard keepers" and those that need to gain weight to come back to a healthy state.

One of the best things about Equine Mega Gain is that the special combination of...
